

COMPETENCY-BASED GRADING

1) In your GradeBook please select Scores--Categories and Assignments.

2) Create a Category named Summative Assessments. Define an Assignment for each of the Units you would like to assess.

	Date	Points
Summative Assessments		8
Unit 1: Piecewise Functions	09/18/2015	4
Unit 2: Absolute Value Functions	09/25/2015	4

3) Please select Competency-Based Grading--Define Formative Assessments.

4) Click on the Add button and enter a Unit you defined under Categories and Assignments.

Courses: ALEGBRA 2 - Per 2 - Days: B - Sem 1

Assessment Area: Piecewise Functions

Add Assessment Area

Assessment Area Name: Unit 1: Piecewise Functi

5) Click on the Save button.

Formative Assessments:

Add **Edit** **Delete**

6) Click on the Add button and enter an area you would like to take Formative Assessments for.

Add **Edit** **Delete**

8

Cancel **Save**

7) Select the number of Formative Assessments you wish to record and click on Save.

8) On the upper right hand side of the window select the number of results you will be using for the Formative Assessments and the colors.

NOTE: There is a Copy to All Classes button.

Number of Results: 3

Score Colors:

Result ID	Result Color
1	
2	
3	

Copy To All Classes

9) To record the Formative Assessments click on the link on the far right hand side of the screen.

NOTE: You may also reach the screen by selecting Competency-Based Grading on the left hand side of the screen and selecting Score Formative Assessments.

- ▼ **Competency-Based Grading**
 - ▶ **Define Formative Assessments**
 - ▶ **Score Formative Assessments**
 - ▶ **Reports**

Quick Links:

[Assignment Scores](#)

[Score Formative Assessments](#)

10) To record the Formative Assessment result for a Student click in the box and select the color.

NOTE: When using Chrome on Mac's the number 1 is the highest result

If the majority of Students earned the same result, enter that result for the 1st Student and then click on the Fill Score Column link on the right hand side.

[Fill Score Column](#)

11) For a report of the Formative results for a Student click on Reports--Formative Assessment Report.

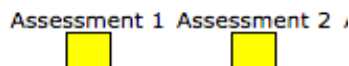

12) Check the box labeled Select All and then click on Preview and then on Print.

A report will appear in a separate window that I recommend you move to the left hand side of the screen so that you may now also open the Assignment Scores screen to record the Summative Assessment.
