- ▶ Do this prior to the start of the school year
- ▶ Generates a family lunch contact for students who have designated at least one primary contact but no lunch contact

Adjust Lunch Contacts for Students

For any students who have lunch contacts that are different from their primary contacts.

Edit – Student Data (contacts)

Do this prior to the start of the school year

New Teacher & Administrator Lunch Accounts

- Do this prior to the start of the school year
- Edit – New Student Wizard
 - Grade Level “Adult”
- Choose a price group from the pop-up menu
- Uncheck their Attend, State Reporting, Rank, and Honor Roll flags/boxes in the General tab.
- You can leave the Active flag/box checked or uncheck it. Since adults are in their own grade level, many schools will leave it checked so they can print labels, send emails, run reports, etc. for the adults entered in JMC. You can only see/edit adults by choosing the “Adult” grade level in the pop-up menu on the top right corner of the screen.

Import Direct Certification

•Lunch – Free/Reduced – Direct Certification Import

MN High School

Day: 1 - 09/04/2018 - Tuesday

2018-2019

Import Direct Certification Data from the Minnesota Department of Education Food and Nutrition Service Download File.

This option will import eligibility information from the file that contains Direct Certification determinations as made available to you by MDE Food and Nutrition Service (fns).

The file containing Direct Certification records may be downloaded from the Minnesota Department of Education (MDE) website by following these steps:

This option updated as of 7/27/2016

1. Log into CLICS at: <https://fns.state.mn.us/>
2. On the CLICS login page, select the link for Direct Certification
3. Log in to CLICS 2.
4. Select Direct Certification on the left-side menu.
5. Select File Download.
6. Select the Desired Date Range and click on the Search button
7. Click the Download Format button for Text (NOT Excel) to begin the download.
8. Make sure to simply save the file. Typically the file will save to your Downloads folder and will have a .TXT extension. Do not open the file in another program or it may get reformatted.

Once this file is imported, lunch status records will be created for students who qualify for free meals.

Lunch status records that are created as a result of this import can be viewed by selecting Lunch - Data - Edit Student Lunch Data or Lunch - Reports - Lunch Status.

Use the buttons below to select the Direct Certification file and to start the import process.

Enter the date this status change became effective. All transactions since the effective date will be updated to the new status and the account balance will be adjusted.

Status Effective Date: 

Direct Certification file to import:

No file chosen

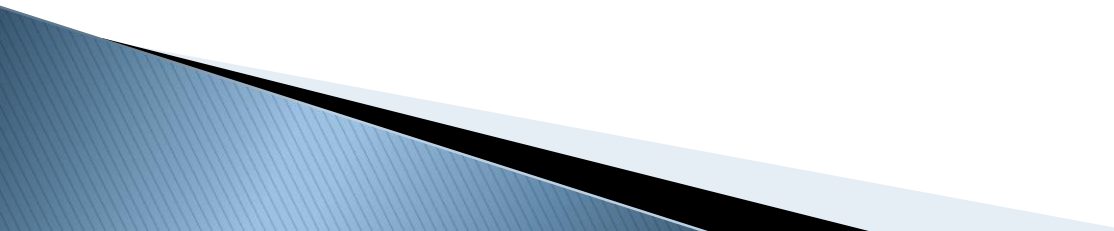

Import Direct Certification

- Do prior to start of the school year
 - Also do at various times throughout the year
 - From Clics 2 Manual: “For districts that utilize the Minnesota Automated Reporting Student System (MARSS) for student identification, an e-mail will be sent notifying that there is new data available when the monthly DHS file is matched and as MARSS data is updated throughout the month. “
 - Follow up with Direct Certification Notification Letters
-
