Overview

By using a web browser, students can log into the JMC's Online Student web application to view their data for attendance, report cards, progress reports, lesson plans, lunch purchases, and course registration.

Only students who have been assigned a username and password in the JMC Office Application are eligible to access their data via Online Student.

Once they have been set up in the JMC Office Application with a username and password, students can log into the Online Student using a web link provided by the school. Please contact your school for details regarding this web link. These are commonly listed right on the school's web page.

Log In

To log into JMC's Online Student application, click on the link provided on your school's website or enter the web link into your web browser. You will then see a login page similar to this:

Specify the year from the menu, then enter your username and password to log in.

You would normally select the current year; however, you may want to select the next school year if you are logging in to view your class registration for the coming year.

Remember that you will need to acquire your username and password from your school office.

Attendance Report

This selection is used to view your attendance information. Here is a sample view of some attendance information.

Report Card

This selection is used to view the student's report card. You will only be able to view the report card for the current term as specified in the office.

Progress Reports

This selection is used to view the student's progress reports. On this page you will see a list of your courses. To the right of the course names you will see a term name link for each term that the teacher has submitted a progress report for you. To view that progress report click on the term link.
