JMC WISEdata 2018-19 Updates Part 5: State Course Codes

October 2018

Paul Freid & Greg Gilman

Overview

- JMC has released a series of videos and documentation updates in October and early November.
- The videos will be short and will cover various small portions of WISEdata updates for 2018-19.

WISEdata Updates 18-19
PART 5: State Course Codes

Update State Course Codes

WI is moving from SCED 3 - SCED 5 version of the courses

Transition for districts as they have been using CWCS courses for scheduling the course offerings

2018-19 will be a transition year for the new version of 'courses' and DPI would not impose the new mapping on districts if they currently finished scheduling courses for the upcoming year

WISEdata Updates 18-19
PART 5: State Course Codes

Selecting a State Course Code

Scheduling – Course – Edit Course Data

State Specific Course Tab

State Course Code drop down list is special, can enter all or part of course name or number

After you pick a state course codes AND SAVE, information about the course will be displayed on the page: Rigor, AP, IB, CTE, Further Info (active year), CTE Pathways

WISEdata Updates 18-19
