Nebraska ADVISER Enrollment History

September 2019
Greg Gilman & Eric Padget

Overview

JMC's ADVISER videos will continue to be published & updated in an ongoing manner.

This video is part of a series for 2019–2020 ADVISER Updates

ADVISER Enrollment History Overview

- Rationale for Enrollment History
- Student data Page
  - new Enrollment Tab
  - Default records for students
- Attendance – Student – Add Student
- Attendance – Student – Drop Student
- Attendance – Student – Re-enter Student

ADVISER Enrollment History Overview Continued

- Beginning with 19-20
  - Does not affect prior years
- *Can begin as of certified build 9.9.19*
  - Drop Student
  - Add Student
  - Re-enter Student
    - If you will have done some Drop/Add/Re-enters prior to the certified build then those students will need to be redone, so *please wait*

ADVISER
Enrollment History Overview

- Rationale for Enrollment History
  - Parallel with Student School Enrollment (SSA) Ed-Fi resource
  - Students may have more than one SSA / Enrollment History Record
  - Values in SSA may differ from one span of enrollment history to another
    - Residency Status
    - FTE
    - Student Days Enrolled
    - District of Residence
    - School of Residence
    - Expected High School of Graduation

ADVISER
Enrollment History
Submitting SSA via ADVISER API

Advantage – now you can see student's SSA's in their enrollment history right on the student data page.

Advantage – now you can track any field in SSA in your enrollment history records. For example, in each span student may have different FTE, residency status, district of residence, etc. Now you can set this correctly for each span separately.

Advantage – now you can do a Drop Student for Day 0.

Advantage – now you will be able to enter StudentDaysEnrolled for special case student/calendar situations

Enrollment History
Coming of Age in JMC

JMC's goal has always been to make our software as easy to use as possible.

We saw the need for enrollment history that just couldn't wait another year based on an 18-19 technical support cases.

Nebraska clients will benefit from the enrollment history concept having been worked on for years in other states where we needed it earlier.
