Career Education Data Reporting

This diagram outlines the specific data reporting elements required for Career Education reporting. Career Education consists of College and Career Readiness (CCR) and Career and Technical Education (CTE) data reporting. Starting school year 2018-19, all public school districts will be required to submit the data found in both the yellow and green regions for students in grades 9-12 in order to satisfy CCR requirements. Additionally, districts who receive Carl Perkins funding are required to submit data found in the blue region for students in grades 11-12. For specific definitions, visit the WISE [data elements](#) webpage.
