WISEdata Updates 19-20

Overview

- ▶ New Program History record types for
 - LIEP Service Program

- ▶ Retired Program History record types for:
 - ELL Served
 - Third Party – CESA
 - Third Party – Other

Communication from Jaidaa Shafaei at WI DPI 3.2.20

As a general rule, all program association records (SSEPA, SLIPA, SSFSPA, Homeless and SPA) should be tightly aligned with the student's SSA (enrollment) record(s).

This affects start/end dates for program history records when students transfer in and out of the district.
