# State Course Code Columns to Pay Attention To: Active Year

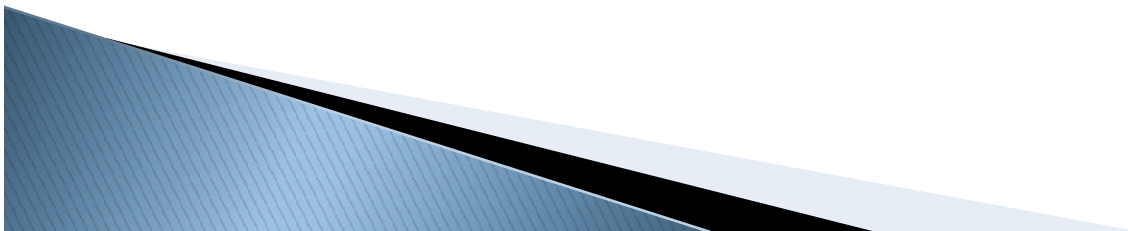

## ▶ Active Year

- $\leq 2018/2019$  – will be retired after 18–19 school year
  - Acceptable for current year, but...
  - See corresponding value in Comment column
    - Will show you replacement values
    - You will want to manually edit any courses like this to get to newer state course codes (Edit Course Data page)
- $\geq 2018/2019$  – new codes introduced to replace obsolete (non– SCED 5.0 codes)
- Blank value – good for any year

# Other Info

- ▶ Some Descriptions will start out with words like “DO NOT USE”
- ▶ Some state course codes will have comment ‘Deprecated’

# Summary

- ▶ All codes acceptable for 18–19
- ▶ Encourage transition to “newer” codes prior to move-up for 19–20, else will get errors on obsolete state course codes next year
